

Health & Safety Policy

Temagami Forest Management Corporation (TFMC) is committed to the health and safety of its employees and further to all personnel involved in contractual relationships with TFMC. The objective of this policy is to protect and promote health and safety and to take every reasonable precaution to provide a safe and healthy work environment. This commitment will be affirmed to all our employees, forest operators, and contractors. In so doing, we will further collaborate with them to identify and deliver on areas for continuous improvement to protect our people and our communities and towards building an accident-free workplace.

TFMC is committed to:

- Developing a strong safety culture towards injury and occupational illness prevention.
- Ensuring occupational health and safety programs are maintained to support the implementation of this policy.
- Ensuring full compliance with all applicable health and safety requirements and legislation for all our employees, contractors and overlapping licensees.
- Implementing appropriate standards beyond regulation where we deem it to be necessary.
- Ensuring adequate procedures and safe work practices have been developed and are enforced to adequately protect all workers.
- Ensuring adequate training and information has been received on the developed procedures and that the training is understood.
- Regular review of all TFMC staff safety performance and overall safety performance on the Temagami Forest.
